Assistant General Counsel

SUBJECT : Procedures Relating to Electronic Surveillance

1. Attached is a redraft of the proposed procedures relating to electronic surveillance which we discussed last Wednesday, the 15th. We incorporated virtually all of your suggestions, substituting, however, in a few cases, alternative language accomplishing the same objectives. In addition, we have made several significant changes which were not discussed at the meeting but which were prompted by the discussion or by comments which several of you made following the meeting.

2. As previously indicated, these procedures are due at the Department of Justice today, and the attached draft should be considered as a final draft. We will, of course, entertain any further comments, suggestions, or problems you may have, but in view of the time constraints, please phone me directly today on [redacted] If we do not hear from you, we will assume that you are satisfied with this draft.
